DISTRICT HOSPITALS GET SUPPORT FOR MEDICAL EQUIPMENT

Lao Rehabilitation Foundation has brought medical equipment to help 9 district hospitals in Vientiane Capital and also to help Public Health Department of Saysomboon Province, in replacement for machines broken or no longer usable.

The equipment will be helpful for the development of doctors’ skills to make better diagnosis and to better follow up with patient care. The total value of the equipment is 30,000 USD or 240,000,000 Lao Kips.
PM: Meeting with the staff of Saythani district hospital to deliver the equipment and provide training on its use and informed them on DAK and LRF’s philosophy regarding its use.
