

OCTOBER 2024 MISSION – Photos of the Mission

Medical equipment delivered by plane from San Francisco to Singapore, Vientiane, Oudomxay, and finally to Pakbeng District via a 6-hour journey on a challenging road.

Dr. Indara Phetsamone setting up LRF donated YAG Laser at the Oudomxay Eye Clinic.

Dr. Luc and Dr. Phetsamone celebrate the end of Buddhist Lent before starting the mission.

Dr. Luc performing a refraction test at a remote health center in Pakbeng District.

Dr. Phetsamone performing an eye exam at the newly opened clinic in Pakbeng.

Above, team preparing glasses and cases for donation. Below, patients happy with good vision.

A new eye care clinic, supported by LRF, has opened along the Mekong River in Pakbeng District.

Preparing food for the team in Houn District.

Supplying a new motorbike for a volunteer assistant in Houn District.

The mission concluded with the local monk's blessing.
